### ILL Entertainment

The agency's top model. Was given several shoots at photographers' requests, due to personality, ease in working with, and ability to "speak to camera". Used in all print works and commercials.

JCT Television - Kansas City, MO - I was the Talk Show Co-Host for a small show with JCT Television, the project was directed at showing the work of local artists. I was responsible for assisting with interviews, preparing and presenting the latest in fashion news, as well as scouting and scheduling unsigned artists for the show.

Fashion House 7.3 - Kansas City, MO @ Blond - Was both video and print work with a full scale Kansas City photo shoot.

Rye Studios - Overland Park, KS - Was given trade for portfolio shoot. Big honor from such a phenomenal photographer.

The Muse Project - Kansas City, MO - Session one of an on going collaboration from Kansas City's Fashion Industry. This was a large scale photo school with a very couture type of style with an artistic edge.

Harrah's Casino/ VooDoo Lounge & Gold Diggers - Kansas City MO - One of the high energy, club style Go-Go Dancers for this upscale casino night club in side Harrah's & Gold Diggers.

Tattoo Projects - Kansas City Missouri - I have been photographed for several projects; magazines, coffee table books, calendars, and many more. Displaying the beautiful artwork of a select few extremely talented tattoo artists in the Kansas/ Missouri area (a heavy emphasis on my body art).
